Kumangka News

What’s happening in Kumangka in Term 4?

Dear Families,

I’m sure that you, as well as I cannot believe how fast 2016 has flown by! As per our school policy, I’d like to remind families that during Term 4, students must wear a school-approved hat when playing outside, and for garden and PE lessons. The Front Office has a display of all Uniform items for sale, and these can be bought on Thursdays after school outside Room 6 in the Primary building. It is advisable to label all uniform items with your child’s name, as they can be lost or misplaced so easily! If you have any missing clothing items, please visit the Lost Property rack which is located outside of the Principal’s office (under the stairs).

This term I have continued my work with students in two different roles. As NIT provider with the four Junior Primary classes: Wilto, Tirkadlu, Worndandi and Wirringa, we are working together learning about History and Geography for Humanities and Social Sciences (HASS). This term we have been learning about celebrations and events around the world, including Diwali (India), The Vegetarian Festival (Phuket), Culture Day (Japan) and much more.

Term 1 2017
Week 1 commences on Monday 30th January

Have a safe and happy holiday—see you next year!!

  *Friday 16th December at 2pm*

The ability to read well also improves writing skills. Reading is a very important part of everyday life and all students must continue to read at home as well as during their school hours. I encourage all families to read with and listen to their children read, as this will enable them to improve their comprehension and reading skills at a much faster rate!

If you have any questions or concerns about your child’s learning, I am more than happy to talk with you. If you would like to book a time to speak with me about your child’s learning program, simply leave a message with Jenny at the Front Office and I will contact you to book a time as soon as I possibly can.

Sincerely,

Julie Fisher
